DESIGNATION : **Assistant Professor**
DEPARTMENT : **Chemistry**
QUALIFICATION : **M.Sc. Ph.D.**
E-MAIL : **adhyapak@vivekanandcollege.edu.in**
TEACHING EXPERIENCE : **27 years**
RESEARCH EXPERIENCE : **3 years**

RESEARCH ARTICLES PUBLISHED : 04

1. Evaluation of in vitro Anticoagulant Activity of *Camellia sinensis*; Journal of Medicinal Chemistry and Drug Discovery, 2015, Special Issue, p 449-455
2. Anticoagulant Activity profile of *glycyrrhiza glabra* with respect to Whole Blood Clotting Time; Journal of Medicinal Chemistry and Drug Discovery, 2016, Vol. 1, Issue 2, p 188-194
3. Investigation of adverse interactions between herbal drugs and natural blood clotting mechanism; Journal of Thrombosis and Thrombolysis, May 2016, 41 (4), p 644-647
4. Assessment of Biological Activity Retention Time of *Allium Sativum* and *Syzygium Cumini*; Journal of Global Resources, July 2019, Vol. 5 (02), p 155-177

RESEARCH PAPER PRESENTED : 02

1. "Investigation of Adverse Effects of Interactions between Herbal Drugs and natural Blood clotting Mechanism", Anticoagulation Therapy conference, Washington D.C., USA, 23-25 April, 2015
2. "Precision Enhancement in Kinetic Parameter Measurement", Indian Council of Chemists, Annual Conference, Pune, 22-24 Dec, 2016
